Education

Vellore Institute of Technology   **Bhopal**
  Bachelor of Technology in Computer Science and Engineering (CGPA: 7.64)   *2022 – 2026*

Jwala Devi SVM Inter College   **Civil Lines, Prayagraj**
  12th UP Board (76.6%) - 10th UP Board (79.5%)   *2016 – 2020*

Relevant Coursework

- Data Structures and Algorithms
- Algorithms Design and Analysis
- Introduction To Problem Solving and Programming
- Fundamentals in AI ML

Projects

NoteNest | *HTML, Bootstrap, ReactJS, Express JS ,Node JS, Clerk*   **April 2024**

- **Efficient Note Organization**: NoteNest allows users to seamlessly organize their notes and tasks with an intuitive interface, promoting enhanced productivity through categorization and easy access to important information.
- **Integrated Task Management**: The platform combines note-taking and task management, enabling users to track their tasks, set reminders, and prioritize their daily activities within a unified system, fostering better time management and project execution

Real Estate Price Prediction |*Python, Machine Learning*   **Jan 2024**

- **Data-Driven Predictive Modeling**: Developed advanced machine learning models to predict real estate prices based on various features like location, property size, and market trends, utilizing techniques such as regression analysis, decision trees, and neural networks.

Technical Skills

Languages and Runtimes: JavaScript, Node.js, Python, C++, Java
Frameworks: Flutter
Libraries: React
Databases: Pl/SQL
Developer Tools: Git, GitHub, Postman, VS Code
Soft Skills: Collaboration and Teamwork, Problem-Solving, Adaptability, Good Communicator, Empathic

Awards and Achievements

NPTEL Cloud Computing Course (2024) conducted by **IIT Kharagpur**: warded Elite + Silver Certificate.

Position of Responsibilities

VITRONIX   **January 2024 − Present**
Event Management Team Member   *VIT Bhopal University*

- FinTech Club is a **Finance Based Technical Club** of VIT Bhopal University
- Successfully managed **Fingernail Hackathon** with over 80 Teams of 4 or more participant in February 2024

Android Club   **July 2023 − Present**
Web Development Team Member   *VIT Bhopal University*

- Made website of the quiz and voting system for club's event
- Maintained Club's Website
- Working on a flutter project to help clubs and chapters of our college and replacing the cumbersome mail system
